

Thanksgiving For All

Roasted turkey. Warm rolls. Fluffy stuffing. Salted gravy. For many families, when the air turns crisp and the calendar turns to November, they start to anticipate the warm and delicious meal that they will enjoy at the Thanksgiving table. But other families aren't as fortunate and they need a little help to get through the holiday. We are asking for your pledge to support ICAN's Annual Thanksgiving Day Dinner Drive. **A donation of \$25 will provide a family with a dinner that includes: a turkey, stuffing, potatoes, rolls, condiments, gravy and dessert.**

Because people like you cared, last year we were able to provide Thanksgiving Dinner for over 180 ICAN families. Our goal this year is even bigger: we want to bless well over 200 families with these meal packages.

If you are interested in providing a Holiday Meal for a family that otherwise would not have one, please contact Development Coordinator, Deborah Kessler with your pledge at 315-794-0695, dkessler@ican.family or complete this form and mail it with your tax deductible donation made out to ICAN, 310 Main Street, Utica, NY 13501 by November 10th.
